

22nd April 2020

Dear Parents and Carers

First of all, I hope that you and your family are well during these unprecedented times.

Congratulations on your child being offered a place at Bearbrook Combined School. We are looking forward to welcoming you and your child to Bearbrook in September at what will be an exciting start to their school career.

I am very proud to be a part of the school, as I am sure you will be.

As a school, we are constantly striving to improve and at the heart of everything we do is the belief that we want every child and member of staff to be nurtured, inspired and ultimately achieve the very best they can.

One of the essential ingredients is a very close partnership between home and school. With your help and co-operation, we can create opportunities for your child to make the best possible progress, thus ensuring that your child's years at Bearbrook are happy and rewarding.

Not only do we want to build close partnerships with our families but also with other local schools. As a result, we are very proud to have become an academy and joined the Great Learners Trust.

As a school we have carefully thought out processes for preparing and welcoming children and their families to Bearbrook, but as you can imagine the current situation is not enabling us to put full plans into place, so please do bear with us.

Over the next few weeks you will receive a pack which will include more information about the school including uniform, lunches, additional information about Foundation Stage, term dates along with forms that will need to be completed and returned to the school office.

The Foundation Stage teachers will be making contact with your child's current nursery, pre-school or child minder over the coming weeks to begin transition.

In the meantime, if you have any questions or enquiries please contact the school office as we are still open for Key Worker children.

Keep well and I look forward to meeting you and your children.

Yours faithfully

Marcus Faulkner
